QUALITY POLICY

Customers and stakeholders, both internal and external, shall always be the focus of quality work within the Euroform Group.

Our aim is to meet or exceed the expectations of our customers and stakeholders for current and future needs.

We shall comply with the laws, standards, and other requirements by maintaining and monitoring the effectiveness and impact of the management system.

Quality work shall be characterized by preventive measures, zero-defect thinking, continuous improvements, and with the right accountability from each of us.
